# Keep Safe in CYBERSPACE

- 01. Words are powerful – use them wisely**
- 02. Talk to a friend, but rely on an adult**
- 03. What happens in the internet, stays and invades your real life .**
- 04. Internet is created by humans: it has flaws just like them.  
Think critically – check your sources.**
- 05. Sometimes you must disconnect to connect: the real world is  
just as exciting.**
- 06. Followers are not your friends: imagine being personal with  
5000 people. Read the room**
- 07. Your birthday is not a good password. Protect your accounts**
- 08. If it's too good to be true, it probably is – not everything is a  
good deal**
- 09. There is nothing embarrassing about being yourself**
- 10. Being safe makes you cooler than anything else ever could**
